Bug Club

Dear Parents and Carers,

This week, your child will be bringing home their login details for Bug Club. This will enable your child to have access to books online, alongside their school reading book.

Each child has a unique homepage, and can log into Bug Club by following these steps:

1. Go to www.activelearnprimary.co.uk
2. Enter the login details (these will be inside your child's reading record).
3. Your child's homepage will appear.

Your child's teacher will allocate books to your child according to their reading ability. These books will appear in the 'My Stuff' area of their personal homepages.

Throughout the books there are quiz questions for your child to complete. To answer a question, just click on the bug icon. Your child does not need to finish all the quiz questions in one sitting and can come back to a book later. When your child has finished all the quiz questions in a book, he or she will earn 'Active Learn Coins'. By reading more books, your child will earn enough coins to buy a reward in one of the many reward schemes.

The answers to the quiz questions will be sent back to your child's teacher so that they can see how your child is progressing. When your child has finished a book, it will move to 'My Library'. Children can read these books again if they want to, or they can choose new books from 'My Stuff'.

Thank you for working with us to support your child in their reading journey.

Kind regards,

Mrs Ireton
English Lead
