Information for Parents

Helping you for the benefit of
your child. Their future is in your
hands.

What is a Parent Support Advisor?

A PSA will offer you help as a parent. It is someone you can talk to about home and/or School matters other than a Teacher or Head Teacher. A PSA can help prevent further issues for you and your child.

Sarah Thompson-Fitch is your Parent Support Advisor

Hello,

I am your Parent Support Advisor. I am here to listen to you and if necessary to liaise with you and the School on all parenting and school issues. I can support you in school or at home. I can also liaise with other agencies.

I have always worked in Education and have been in post for 9 years. I am also a parent to my two teenage boys.

Why not check out the School Website?
